

## Screening Eagle Technologies, Zurich/Singapore Announces Changes in Leadership

Zurich, Singapore, June 28, 2023

Screening Eagle Technologies, the global leader in software and sensor technology for the built world with a 65+ year track record in Non Destructive Testing solutions, announces a transition in its leadership team. After years of dedication and outstanding achievements, Marcel Poser, the esteemed CEO, Co-Founder and Founding Shareholder, has made the decision to step down from his CEO position for family and well-being reasons, while Dr. Antonio Caballero, current Deputy CEO and Chief Technology Officer, is appointed to the CEO role.

Marcel Poser's visionary leadership and commitment have been instrumental in shaping the success story of Screening Eagle. Under his guidance, the company has built a very strong team and developed and introduced groundbreaking technology in digitalising the built world by establishing health records with smart software and data analytics. His impactful contributions have left an enduring mark on the built world tech industry.

"I am deeply grateful for the immense support bestowed upon me by the entire Screening Eagle family over the years and also in this moment," Marcel Poser expressed. "I am furthermore excited to continue to support Screening Eagle as Founding Shareholder together with Bruno Valsangiacomo, and serve the entire Screening Eagle community as member of the Board of Directors - a role that I held leading up to the merger of Proceq, Zurich and Tectus Dreamlab, Singapore to form Screening Eagle Technologies in 2019."

In light of this change, Screening Eagle is delighted to announce the appointment of Dr. Antonio Caballero as its Chief Executive Officer, effective July 1, 2023. Antonio brings with him a wealth of management experience, a strong track record of enriching Screening Eagle's product and technology portfolio, and a deep understanding of Screening Eagle's core values and mission to Protect the Built World.

With his strategic thinking, innovative mindset, and passion for collaboration, Antonio is well positioned to lead the company into a new era of growth and prosperity.

"The nomination of Antonio Caballero as our new CEO is an exciting development for Screening Eagle," stated Bruno Valsangiacomo, Co-Founder and Executive Chairman. "His exceptional leadership skills, technology and industry expertise, and focus on creating a supportive and inclusive work environment make him the ideal candidate to continue our legacy of excellence."

Antonio Caballero shared his enthusiasm for the new role, stating, "I am honoured to accept this position and embrace the opportunity to work alongside our talented team. Together, we will navigate the ever-evolving landscape of our industry, fostering innovation, client-centricity, and sustainable growth."

The Screening Eagle family extends their heartfelt appreciation to Marcel Poser. Simultaneously, we warmly welcome Antonio Caballero into his new position.
